Maahvelous!

Princess Puut and Dali Do Venice

Scott Chambliss

Preface by Isabella Rossellini

Foreword by Katrina Markoff

*“I want to go on Puut and Dali’s next adventure! I’ve never read anything so maahveloso!”
– Jennifer Garner*

M eet Princess Puut, a glamour gal who’s lost her grip, in this fantastically wicked, witty, and fun-loving brainchild from Emmy Award-winning production designer Scott Chambliss. One night, as she reels from the stunning news that she’s been thrown off the television waves, Princess Puut—the former Maahvelous Infomercial Superstar—has a peculiar dream that inspires her to enlist the company and comfort of Dali, her smart and sexy confidant. Whether surrounded by the decadence of their nine-star canal-adjacent palazzo or enslaved by Venice’s most spectacular sights including gorgeous Giorgios (“Venetian men are the best souvenirs,” says Dali), Puut remains unhinged and uncertain of herself. Combining vivid photography with riotously colored illustrations, Puut and Dali’s journey is one of scandal, style, and self-discovery that sends them right to the heart of a romantic and implausible Venice—and all without the nasty smell!
